T. S. HUBBARD CO., FREDONIA, N. Y.

### GREETING.

With the opening of the new Century, we extend hearty greetings to our friends and patrons everywhere, and wish them all long life, prosperity and success.

The Pan-American Exposition will doubtless bring many to Buffalo next summer, and we cordially invite all who can to call on us while in this vicinity.

### OUR SPECIALTY

For more than thirty-five years has been the growing of high grade Grape Vines. Our annual plantings average over one hundred acres, embracing many millions of vines, closely planted in nursery rows. We aim to keep in stock **Everything for the Planter or Dealer**, all graded to the "STANDARD" we originated many years ago, which is now well known to the trade wherever grape vines are planted. Through our immense business and wide acquaintance we have established a national reputation for accuracy in varieties, grading to the highest standard, and promptness in filling orders, of which we are proud, and which it will always be our aim to deserve.

**Location.**—Three miles south of Dunkirk, forty miles west of Buffalo, on the L. S. & M. S. R. R.; Erie R. R.; N. Y. Chi. & St. L. (Nickel Plate) R. R.; Penn'a R. R.; and D. A. V. & P. R. R. Electric cars connecting with all day and evening trains at Dunkirk, go directly past our office and cellars, at 29 Central Avenue.

**Packing** done in the most thorough manner. **NO CHARGE FOR BOXES.**

**Time of Shipment.**—October 1st to June 1st. Our stock being stored in cellars, can be safely sent by mail or express any time during winter, or by freight with extra care in packing.

**Goods Delivered** free at our freight, express or post office, after which our responsibility ceases.

We Never Substitute, but we reserve the right to fill orders for one-year vines with older vines of the same size, unless instructed to the contrary, and for two-year vines with extra large one-year of the same size as the two-year.

**Samples** will be mailed to those wishing to purchase in quantity, at 100 rates with five cents added for postage on three one-year vines, and ten cents on three two-year vines.

## GUARANTEE.

We warrant our stock true to name and quality represented, with the express understanding and agreement that should any not prove true to name, we will refund the money paid or replace with others that are true, but are not liable for damages other than herein named.

## TERMS.

**Cash** with the order, or satisfactory references from unknown correspondents.

**All Bills** must be paid by June 1st, unless otherwise specially agreed.

**For all Bills** not paid by June 1st, we will draw at sight without notification.

**Interest** charged on all bills overdue. NOTE PAYABLE AT BANK for 30 or 60 days will be accepted on satisfactory references.

We will quote freight or express rates to any point on application.

## CAMPBELL'S EARLY.

We have a fine stock of this promising new grape, both one- and two-years old, which we offer to our customers without restrictions of any kind.

## GREEN'S EARLY

Is a white grape, in size nearly as large as Niagara, of fine quality, ripening before Moore's Early; an excellent shipper. The vine is a chance seedling of the Concord type, discovered about 13 years ago in Portland, Chautauqua Co., N. Y. It has been quite largely planted in this county, where it has attracted much attention among vineyardists. We believe it a valuable acquisition and recommend its trial.

## Copy of Certificate of Inspection.

This is to certify that the stock in the nursery of T. S. Hubbard Co., of Fredonia, County of Chautauqua, State of New York, was duly examined in compliance with the provisions of Chapter 482 of the Laws of 1898, and it was found to be apparently free in all respects from any contagious or infectious plant disease or diseases, or the San Jose scale or other dangerously injurious pest or pests. This Certificate expires June 30, 1901.

Dated Albany, July 31st, 1900.
